

As residents of our local community we (Shawn & I) want to express our appreciation for K-LOVE on the FM dial. K-LOVE is "Positive and Encouraging" as they claim and strive to be. I encourage my kids to listen to K-LOVE because of the consistent upbeat programming without offensive words or subject matter.

Our minivan has a K-LOVE bumper sticker. When driving around town we frequently see other vehicles with K-LOVE bumper stickers. I don't remember ever hearing about any promotions that might push listeners to display bumper stickers. I had to call K-LOVE and wait for my sticker to come in the mail. My point is that K-LOVE listeners are not bought with gimmicks, they actually write checks directly to K-LOVE to help keep K-LOVE on the local dial for personal enjoyment and on the national dial for others to enjoy as well.

I believe that our local community would suffer a great loss if K-LOVE were to be displaced by an LPFM broadcaster providing other programming. K-LOVE promotes strong marriages that last a lifetime. K-LOVE promotes the idea of individual responsibility. K-LOVE promotes good citizenship, love for one's neighbor, and love for the same God referred to in our nation's founding documents. K-LOVE does all this in a "Positive and Encouraging" way that does not come across as preachy or dogmatic. I believe that people in my local community benefit from programming that reaffirms honorable choices in daily life.

Please don't allow the expansion of the new LPFM stations to take priority over K-LOVE's family-friendly broadcast signal.
